[Run: 09/19/2012 at 13:35. Order of Checkable Items: List.]

- 5-1.** Given the signed numerators -23.87 and $+52.47$ *in that order*, what *strict* comparison sentence(s) is(are) TRUE?
- 5-2.** Given the signed numerators -62.75 and $+42.79$ *in that order*, what *lenient* comparison sentence(s) is(are) TRUE?
- 5-3.** Given the signed numerators $+71.78$ and -23.54 *in that order*, what *lenient* comparison sentence(s) is(are) TRUE?
- 5-4.** Given the signed numerators $+131.83$ and -374.87 *in that order*, what *strict* comparison sentence(s) is(are) TRUE?
- 5-5.** Given the signed numerators -673.99 and -287.19 *in that order*, what *strict* comparison sentence(s) is(are) TRUE?

- 5-6.** Given the signed numerators -382.72 and -623.83 *in that order*, what *lenient* comparison sentence(s) is(are) TRUE?
- 5-7.** Given the signed numerators -691.37 and $+803.77$ *in that order*, what *size* comparison sentence(s) is(are) TRUE?
- 5-8.** Given the signed numerators -456.88 and $+323.28$ *in that order*, what *size* comparison sentence(s) is(are) TRUE?
- 5-9.** Given the signed numerators $+275.48$ and -692.66 *in that order*, what *size* comparison sentence(s) is(are) TRUE?
- 5-10.** Given the signed numerators $+267.72$ and $+912.78$ *in that order*, what *size* comparison sentence(s) is(are) TRUE?
- 5-11.** Given the signed numerators -465.22 and -234.19 *in that order*, what *size* comparison sentence(s) is(are) TRUE?

5-12. Given the signed numerators $+987.12$ and $+745.45$ *in that order*, what *size* comparison sentence(s) is(are) TRUE?

5-13. Identify the specifying-phrase $-241.55 \oplus +782.15$

5-14. Identify the specifying-phrase $+458.45 \oplus -915.72$

5-15. Identify the specifying-phrase $-498.45 \oplus -945.12$

5-16. Identify the specifying-phrase $-128.45 \ominus +924.45$

5-17. Identify the specifying-phrase $+128.84 \ominus -945.12$

5-18. Identify the specifying-phrase $-264.84 \ominus -984.45$

4

5-19. What is the change *from* -452.78 *to* $+845.73$

5-20. What is the change *from* -458.91 *to* -846.12
